- EL44-Beaver Supreme** - A beaver food lure used for beaver, muskrat and coon. An exceptional southern water lure.
- AFC-All Fur Call** - As the name suggests, this lure is a valuable asset for all furbearers. It is extremely deadly on muskrat and beaver. Gray fox and bobcat find it very appealing. All Fur Call makes a very good later season change-up for all canines. Use with skunk essence for fisher & marten as it will help them make the final commitment to your set.
- EL43-Fisher Supreme** - Available in 4 oz. only. Loaded with skunk and other fisher attractants. A thick paste that can be smeared on trees, rocks, etc. **\$14.00**
